

Name Ing. Eva Habánková
Email eva.habankova@savba.sk

October 2017 — Present

EXPERIENCE

Researcher
Slovak Academy of Sciences, Polymer Institute
Kinetics of radical polymerization

January 2017 — May 2017

Trainee
Vienna University of Technology,
Institute of Applied Synthetic Chemistry
Photorheology, formation of photocrosslinked hydrogel network
from aqueous solution

2017 — Present

EDUCATION

Slovak Technical University in Bratislava,
Faculty of Chemical and Food Technology
Doctor's Degree; Macromolecular chemistry

2015 — 2017

Brno University of Technology, Faculty of Chemistry
Master's Degree; Materials, technology and properties of materials

March 2016 — August 2016

Ulm University, Faculty of Natural Sciences
Master's Degree – Erasmus; Advanced Materials

2012 — 2015

Brno University of Technology, Faculty of Chemistry
Bachelor's Degree; Consumer chemistry

CERTIFICATES

National Certification of Students IPMA
Společnost pro projektové řízení, z. s.
(Project Management Company), License NCS/442/16
Validity: February 2016 — February 2021

Intensive German Language and Culture
(Level 3 “Intermediate German”)
Ulm University
April 2016
