Conference motto: "From Gold to Polymers"

Invited speakers

prof. dr hab. inž. Krzysztof Pielichowski, Faculty of Chemical Engineering and Technology, Cracow University of Technology Tadeusz Kościuszko, Cracow, **Poland**

Dr. David Pahovnik, National Institute of Chemistry, Ljubljana, **Slovenia**

Dr. Zuzana Benková, Polymer Institute, Slovak Academy of Sciences, **Slovakia**

Assistant Prof. Dipl.-Ing. Dr.techn. Stefan Baudis, Institute of Applied Synthetic Chemistry, Technology University Vienna, **Austria**

Scopes

- Synthesis, modification and characterization of polymers
- Polymer blends, composites and processing of polymers
- Smart polymers and biopolymers
- Bio-related applications of polymers
- Polymer stability and degradation
- Physics of polymers (theory, modeling and simulation)

Conference fee

Regular participant: 550 euro

Slovak chemical society member: 500 euro

Manufacturers of scientific equipments: 550 euro

Accompanying person: 450 euro

The fee includes: hotel, full board, coffee break, conference materials

Important dates

Registration

January 2nd - April 30th 2023

Abstracts

May 31th 2023

Payment

June 1st 2023

All participants are called to have lectures.
