WORK EXPERIENCE

Laboratory diagnostic 1/2024 – 8/2025
Unilabs, Bratislava, Slovakia
Microbiology section(ALDI-TOF,VITEK2 automated bacterial identification).

Graduate of Biotechnology 9/2018 – 11/2023
Comenius university, Bratislava, Slovakia
Applying skills in molecular biology tests such as: PCR, qPCR, MLST, gene typing, gene sequencing, phage typing.

Laboratory technician 3/2019 – 12/2021
Comenius university, Bratislava, Slovakia
Set up biological laboratory for daily practical routine tests.

Manager and store director 9/2015 – 8/2018
Bratislava, Slovakia

Laboratory diagnostic 9/2004 – 8/2015
Iranian Red Cross Society, Tehran, Iran
Managed the inventory of the departments and the ordering of laboratory supplies. Daily processed hematological and chemical and microbiological samples, including manual and automated reporting and quality control systems.

Maternity leave 4/2002 – 8/2004

Student intern 1/2001 – 1/2002
Louis Pasteur Institute, Tehran, Iran

Microbiological laboratory technician 12/1997 – 8/1998
Pars Reference Hospital, Tehran, Iran

EDUCATION

Doctor of Philosophy, Biotechnology 2018 – 2023
Comenius university, Bratislava, Slovakia

Master of Natural Sciences, Molecular Biology 2000 – 2002
Tehran Azad University, Tehran, Iran

Bachelor of Science, Molecular Biology 1995 – 1999
Tehran Azad University, Tehran, Iran

PERSONAL SKILLS

Mother language Persian

Other languages

1- English		3- Slovak		2- German
C1	advanced level	B2	independent user	B1

Digital skills Windows, Office 365, Snapgene, Pasteur

COMMUNICATION SKILLS

Communication achives:worked as a member of a therapeutic tourism tour in the Iranian Red Cross Society. Biotechnological researcher at the Comenius University in Bratislava. Medical diagnostic laboratory technician of the Iranian Red Cross Society in various diagnostic sections: biochemistry, hematology, hormones, serology, phlebotomy, urinalysis and microbiology.worked as an internal quality control system management for ISO (International Standard Organization) in the Iranian Red Cross Society.

OTHER SKILLS

Ability to work in a team and in challenging conditions, creative, responsible, patient, flexible, quick learner, strong work ethic.
