

Curriculum vitae

Michal Pelach

EDUCATION:

- | | |
|-----|---|
| PhD | Comenius University, Bratislava, FMFI
Biophysics, August 2018 |
| MA | Comenius University, Bratislava, FMFI
Biophysics and Chemical Physics, 2011 |
| BA | Comenius University, Bratislava, FMFI
Physics, 2009 |

MAIN SUBJECTS OF STUDY:

- | | |
|-----|---|
| MA | Biochemistry
Membrane biophysics
Experimental methods of biophysics and chemical physics
Molecular biophysics
Bioenergetics |
| PhD | Experimental methods of biophysics
Molecule design
Methods of biophysical research and quantitative data analysis |

INTERNSHIPS:

- | | |
|------|--|
| 2012 | Slovak National Scholarship, University of Guelph, Canada, March – May 2012 |
| 2013 | Marie Skłodowska-Curie Actions (MSCA) Research and Innovation Staff Exchange (RISE) , Oak Ridge National Laboratories, February -August |
| 2014 | Marie Skłodowska-Curie Actions (MSCA) Research and Innovation Staff Exchange (RISE) , Oak Ridge National Laboratories, February - August |
| 2015 | Marie Skłodowska-Curie Actions (MSCA) Research and Innovation Staff Exchange (RISE) , Oak Ridge National Laboratories, March - May |

FURTHER TRAINING:

- | | |
|-------|---|
| MOOCs | Edx platform
Introduction to Computer Science and Programming Using Python, MIT
Introduction to Data Science in Python, MIT |
|-------|---|

SOMETHING ABOUT ME:

My interests are family, science and sport. My main focus in PISAS is raman spectroscopy and further data processing.
